

The National Honor Society Study Lab is now open for business. The hours are 7:00-7:30am and 2:45 3:30pm in room 702 with the first semester dates listed below. Come drop by for a quiet place to study or for help on class work. National Honor Society students are available during these times to help students with their homework. Students who would like a study buddy should bring their books and materials with them. The study lab is open to all NDP students on a drop-in basis.

This year we are hoping to provide more opportunities for students to get help by creating an additional study lab **Wednesday mornings from 7:00 am until 7:30 am on**. The standard **afternoon tutoring** will take place from **2:45 pm until 3:30 pm** on most Tuesdays (not 1st or last of the month), Wednesdays (not 1/2 days), and all Thursdays. Here are the days of the additional study labs for the first semester:
